

Devizes & District Opportunity Centre

Newsletter - March 2024

What have we been up to?

Here at the Centre the children have been getting messy as they create art using a range of different colours and materials. We love doing art at Devizes Opportunity centre because it allows the children to use all of their skills and senses.

One of the ways that we love to paint is on tin foil, not only does this add an additional sensory element to our art projects but it also allows the children to connect with different skills in all kinds of different ways.

This month we have experimented by using different tools and objects to create art. Some of the items we have used are the traditional paintbrushes, plastic easter eggs, plants, cups, crayons, glitter, and we have used boxes and empty toilet rolls to create robots.

Dates for your

Easter Holidays

Our last day will be
28th March & we will
return on
the 15th
April

Bank Holiday Dates

We will be closed on
6th May

May Half Term

Our last day will be
May 24th & we will
return on June 3rd

IMPORTANT INFORMATION

Please can parents ensure they contact us to inform us of any absences to ensure our records are accurate!

If your child has sickness or diarrhoea you will need to keep them off for 48 hours after their last episode.

If your child has to be given Calpol if they are unwell, please keep them at home with you until they are well enough to attend.

Please can parents/carers NAME all of their child's belongings.
