

What have we been up to?

This term at the centre we have been doing lots of creative play, creative activities such as drawing, storytelling, and role-playing to enhance the children's working memory and cognitive flexibility.

One of the things we love to do is set up art stations with a variety of materials—paints, crayons, recycled objects—where children can create artwork based on their imagination.

We also love to include music and movement where we provide instruments like tambourines, drums, and shakers, and encourage the children to create their own music.

Another activity that the children love is building and construction, we use blocks and other construction toys to encourage children to build and create.

Dates for your

Christmas Holidays

Our last preschool session will be on December 18th

We will return in the new year on January 7th

Christmas Party

There will be a Christmas party on 19th December 9:30-10:45

IMPORTANT INFORMATION

Please can parents ensure they contact us to inform us of any absences to ensure our records are accurate!

If your child has sickness or diarrhoea you will need to keep them off for 48 hours after their last episode.

If your child has to be given Calpol if they are unwell, please keep them at home with you until they are well enough to attend.

Please can parents/carers NAME all of their child's belongings.

More Info

Is your child starting school in September 25? It may seem like a long way off now but, believe it or not, it is time to start thinking about your child's next big move up into big school. You have until **15th January** to apply for a school place. If your child is going through an EHCP assessment, you will still need to apply for a school place.
